CONFERENCE COMMITTEE REPORT

House Bill No. 341 By Representative Johnson

June 23, 2008

To the Honorable Speaker and Members of the House of Representatives and the Honorable President and Members of the Senate.

Ladies and Gentlemen:

We, the conferees appointed to confer over the disagreement between the two houses concerning House Bill No. 341 by Representative Johnson, recommend the following concerning the Engrossed bill:

1. That the Senate Floor Amendments Nos. 1, 2, 4 and 5 proposed by Senator N. Gautreaux and adopted by the Senate on June 16, 2008, be adopted.
2. That the Senate Floor Amendment No. 3 proposed by Senator N. Gautreaux and adopted by the Senate on June 16, 2008, be rejected.
3. That the following amendments to the engrossed bill be adopted:

AMENDMENT NO. 1

On page 3, between lines 7 and 8, insert the following:

"Section 2. R.S. 27:2(C) and (D) and 24(A)(5) are hereby enacted to read as follows:

§2. Public policy of state concerning gaming; status of licenses, contracts, and permits

* * *

C. The legislature further finds and declares it to be the public policy of the state that parents should provide financial support to their minor children who cannot care for themselves. Thus, intervention by the state, through the enforcement of child support orders and the collection of child support, is in the best interest of its citizens and is necessary when the parents fail to meet their support obligations. Since children are adversely affected when parents who have outstanding support obligations divert their financial support to gaming, a parent's winnings from money diverted from a child's support should be applied to the parent's outstanding support obligations. The legislature further finds and declares that this policy is consistent with the public policy of protecting the general welfare of the state's people.

D. In accordance with this finding, the Department of Social Services shall report to the joint committees on Civil Law and Procedure and Judiciary A, no later than fifteen days following the commencement of the regular legislative session each year, on the interception and seizure of gaming winnings for the payment of child support and overpayments owed to the department. This report shall be a public record and shall include but not be limited to the number of jackpots intercepted pursuant to this Section and the amount of each jackpot intercepted.

* * *

§24. Rulemaking authority; fees and fines, collection

A. The board, in accordance with the Administrative Procedure Act and R.S. 27:15(B)(8), shall promulgate all rules and regulations necessary to carry out the provisions of this Title, including but not limited to the following:

* * *

(5) A procedure requiring the withholding of payments of progressive slot machine annuities and cash gaming winnings of persons who have outstanding child support arrearages or owing child support overpayments, prior to the payment of a progressive slot machine annuity, beginning with the second annuity payment, or cash gaming winnings. Cash gaming winnings shall include payments of twenty five hundred dollars or greater for a single jackpot won at an entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950. However, notwithstanding the provisions of this Paragraph, no entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, shall be prohibited from withholding payments of cash gaming winnings of no less than twelve hundred dollars and no more than twenty five hundred dollars.

(a) The board may require that the agency reporting current child support arrearages or overpayments provide information relating to such arrearages or overpayments in a manner, format, or record approved by the board that gives the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, real-time or immediate access to the information. If the information relating to such arrearages or overpayments by the agency reporting current child support arrearages or overpayments is not available through real-time or immediate access, the licensee shall not be responsible for withholding cash gaming winnings in accordance with the provisions of this Subparagraph.

(b) The board or any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, including any of its officers, employees, attorneys, accountants, or other agents, shall not be civilly or criminally liable to any person, including any customer, for any disclosure of information made in accordance with this Section, for

encumbering or surrendering assets in response to information provided by the Department of Social Services, or for withholding or failing to withhold any progressive slot machine annuities or cash gaming winnings, based upon information provided to it.

(c) If any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, determines that the winner of a progressive slot machine annuity or cash gaming winnings is a person who has outstanding child support arrearages or owes child support overpayments, the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, shall deduct the child support arrearage or child support overpayment from the payment of the progressive slot machine annuity or cash gaming winnings. The deducted amount shall be forwarded to the Department of Social Services and the entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, shall pay the remainder to the person who has outstanding child support arrearages or owes child support overpayments. If the remainder is equal to or less than zero, the person who has an outstanding child support arrearage or child support overpayment shall not receive a payment.

(d) Any entity licensed or permitted under Chapters 1, 4, 5 or 7 of Title 27 of the Louisiana Revised Statutes of 1950, may deduct an administrative fee from each payment of a progressive slot machine annuity, beginning with the second annuity payment, or cash gaming winnings, of persons who have outstanding child support arrearages or owe child support overpayments per singular or periodic payment, not to exceed thirty-five dollars.

(e) The board shall also require that the entity licensed or permitted under Chapters 1, 4, 5, or 7 of Title 27 of the Louisiana Revised Statutes of 1950, adopt procedures designed to prevent employees from willfully failing to withhold payments of progressive slot machine annuities or cash gaming winnings from persons who have outstanding child support arrearages or child support overpayments, based upon the information provided by the Department of Social Services that allows the licensee to identify such persons.

(f) The board shall enact such rules and regulations in accordance with the provisions of this Subparagraph by January 1, 2009.

(g) The board shall require by rule that persons having jackpot winnings subject to interception and who have been identified as having support arrearages or overpayments shall not transfer or assign the winnings to another person.

(h) The board shall provide by rule that the unintentional failure to intercept jackpot winnings or other unintentional errors of a licensee or the casino gaming operator in implementation of the jackpot interceptions provided for by this Subparagraph shall not result in sanctions of the licensee or the casino gaming operator.

* * *

Section 3. R.S. 46:236.15(D)(1)(introductory paragraph) and (a) are hereby amended and reenacted to read as follows:

§236.15. Limited administrative authority for certain paternity and child support actions

* * *

D. Authority to seize and intercept.

(1) In cases in which there is a child support arrearage or child support overpayment made to a custodial parent, and after notice of such arrearage or overpayment has been made by certified or regular mail, personal service, or domiciliary service, the agency shall have the administrative authority to:

(a) Intercept, encumber, freeze, or seize periodic or lump sum payments from a state or local agency or any entity licensed or permitted by any state agency or board under Chapters 1, 4, 5, or 7 of Title 27 of the Louisiana Revised Statutes of 1950, including but not limited to unemployment compensation benefits, workers' compensation, and other benefits, judgments, settlements, lottery winnings, progressive slot machine annuities beginning with the

second annuity payment, cash gaming winnings, assets held in financial institutions, and public and private retirement funds. The provisions of R.S. 13:3881 providing general exemptions from seizure are applicable to the provisions of this Subparagraph. After the agency encumbers, intercepts, or freezes any assets set out in this Subsection, it shall notify the payor that he has thirty days to advise the agency that he wishes to appeal the seizing of said assets. Upon receipt of such notice, the agency shall either release the property or schedule a hearing with the appropriate court. If the payor fails to file an appeal within thirty days, the agency may institute proceedings through administrative process to seize or sell the property in accordance with state law.
