STATE TROOPER'S ASSOCIATION NAMES SEN. BUTCH GAUTREAU **2009 LEGISLATOR OF THE YEAR**

The Louisiana State Troopers Association (LSTA) recently named District 21 State Senator Butch Gautreaux (D-Morgan City) Legislator of the Year for 2009. In making the announcement, LSTA Executive Director David Young said, "Senator Gautreaux has long been a friend of Louisiana's state troopers. His consistent support of LSTA initiatives throughout his career has been most important to our legislative successes. In this most recent legislative session it was through his leadership that the Louisiana State Police Retirement System was able to provide a BACK-Drop program for its members. We are grateful for his friendship and appreciate the efforts he has put forth on our behalf."

The Louisiana State Troopers Association is a non-profit organization whose mission includes protecting and promoting the welfare and interest of active and retired troopers as well as seeking constant improvement in the quality of service rendered to the citizens of Louisiana. The LSTA annually recognizes legislators who have assisted in furthering its mission.
