***SENATOR CHERYL GRAY EVANS URGES PUBLIC TO TAKE ADVANTAGE OF
MEDICAL SCREENINGS***

State Senator Cheryl Gray Evans is encouraging the public to take advantage of medical screenings taking place across the New Orleans area on SATURDAY, JUNE 13th, 2009. The event is being supported by the New Orleans area members of the Louisiana Legislative Black Caucus and some clinics are offering free services for the day. Senator Gray says this is a great opportunity for people to take care of their health and find a medical home.
